

President Bob Munns opened the meeting at 6:30 p.m. He welcomed elected officials and first time visitors. Everyone enjoyed a delicious pot luck dinner.

President Munns called the meeting back to order. The August minutes and the budget report were approved. There being no set program for the evening, President Munns brought us up to date on how many volunteers were still needed to fill in at the Vesta Show and took questions from the attendees. Members Merrel and Kathy Miller and Joann Allen were available to sign up volunteers that night.

There being no further business the meeting was closed at 8:15 p.m.
