

**HICKORY WITHE COMMUNITY ASSOCIATION – MINUTES February
1, 2018**

Eddie Brewer, Vice President, called the meeting to order.

Homer Bunker led the prayer and Terry Leggett led the Pledge of Allegiance.

Elected officials present included Mayor Skip Taylor, Homer Bunker, and Terry Leggett.

Total attendance was approximately 42 people.

The pot luck meal was followed by our Meet Your Neighbors segment. Jim and Debbie Norton shared with the group some very interesting information about themselves.

The program for the night was a very fascinating and entertaining presentation by two banjo crafters, Tommy George and Christian Stanfield. These guests told the group how they joined together to produce wonderful musical instruments. They brought several of their hand-crafted banjos and other stringed instruments, and played a few tunes, as well.

Announcements included the Fayette Cares plant sale and golf tournament which are planned for April.

The next meeting of the association in March will feature John Collins of Chickasaw Electric as our speaker.

The meeting was adjourned.

Minutes submitted by Sandra Brewer, Secretary
