

The Hickory Withe Community Association met February 7, 2019 at the Hickory Withe Presbyterian Church.

Bob Kenney, President, called the meeting to order, and the meeting began with a pot luck meal.

Commissioner Jim Norton was present for the meeting. He discussed the interchange at I-40 and Highway 196 and its future retail development. He also said that the community's voice needs to be heard at the commission concerning this interchange. He reported that Sheriff Riles is supportive of the Neighborhood Watch plan that is in progress.

Announcements included a fund raiser that the Fayette County Carl Perkins Center is doing. Also, the new Neighborhood Watch organization was explained by David Larkin as a work in progress that wants to partner with the HW Community Association.

The night's program was a presentation from three representatives of the Oakland Physical Therapy Group.

At the next meeting in March the association will hear from a certified financial planner and tax expert concerning the new tax laws.

The meeting was adjourned.
