

Minutes of the Hickory Withe Community Association
July 7, 2016

The Hickory Withe Community Association met on Thursday, July 7th. President Bob Munns opened the meeting at 6:30 p.m. Elected officials and visitors were recognized along with many candidates running in the upcoming election. This meeting was to honor and show appreciation to the fire fighters and first responders from district 10 and 14. All enjoyed an excellent pot luck dinner with spaghetti from Colletta's being provided by the association.

President Munns called the meeting back to order and attended to the business of the association. The treasurer's report was approved and is attached, along with the minutes of the June meeting.

Olan Swaffer, from the Nomination Committee, presented the slate of officers for 2016-2017. The slate presented consisted of the same officers now serving: President, Bob Munns, Vice President, Jane Mitchell, Secretary, Joann Allen and Treasurer, Becky Sue Evans. No nominations were made from the floor. The slate was approved.

County Fire Chief, Jerry Crawford, was introduced and gave a talk about his career that started in Fayette County and now looks like it will end in Fayette County (but not too soon we hope).

Following Chief Crawford, Fayette County Commissioner, Homer Bunker, gave a talk on the national rise of the cost of education and the role that the NEA has played in this.
