

The Hickory Withe Community Association met on June 6, 2019 at the HW Presbyterian Church. The meeting opened with the Pledge and a prayer.

Thirty Five people attended and there were a few newcomers.

After a wonderful pot luck meal, the program was given by Christian Stanfield and Tommy George. They presented several banjos from different eras of time since around the turn of the twentieth century. They played their incredible hand-crafted musical instruments, and also played vintage recordings on an old Victrola phonograph. It was a fascinating and historical presentation.

The business covered included naming a new slate of association officers for the next term. The list will be finalized soon and voted on by the membership.

Also covered was preparation for the next meeting in July which will be the First Responders appreciation event. It will be held on Thursday, July 11th at the First Baptist Hickory Withe church gym. The event will include food, tributes, and door prize gifts that are being prepared to honor our community's first responders.

The meeting was adjourned.
