

HICKORY WITHE COMMUNITY ASSOCIATION - MINUTES APRIL, 4, 2019

The Hickory Withe Community Association met on April 4, 2019 at the Hickory Withe Presbyterian Church.

The meeting opened with prayer and the pledge to the flag.

Attendance was 28.

Following the business reports, announcements were made including the request from a fire department representative concerning visible addresses at our homes. He admonished the group that first responders must be able to quickly identify a home with numbers that are easily visible. A First Responders cook out is planned for July and will honor these volunteers.

Another upcoming effort will be Relay for Life which will be held on May 18th in Somerville to raise funds for the fight against cancer.

Haley Duffey from the Carl Perkins Center for Prevention of Child Abuse spoke to the group. She gave an interesting presentation and update about this very important facility in Fayette County.

The next HWCA meeting on May 2, 2019, will be about the Neighborhood Watch effort that is in progress across the county. David Larkin will speak about this topic.

The May meeting will begin with a Cinco de Mayo theme and Mexican food will be served.

The meeting was adjourned.

Minutes taken by Sandra Brewer, Secretary
